Note that these are just a few examples for available scholarships. The list is subject to change and there is no guarantee for funding. If you cannot find anything, there are two useful databases which will give you updated information on available scholarships:

1. A database with scholarship programs available to foreign students in Germany can be found on the DAAD website: <https://www.daad.de/deutschland/en/>
Scholarship finder: <https://www2.daad.de/deutschland/stipendium/datenbank/en/21148-scholarship-database/>
2. German citizens will find further information here: <http://www.stipendien-tipps.de/>

Please note: for the mandatory semesters abroad GSP students are unfortunately not eligible to receive the "**PROMOS**" scholarship or the "**Baden-Württemberg**" scholarship which are coordinated by the International Office of the University of Freiburg, because the Global Studies Programme counts as an "institutional exchange", which are excluded from these fundings.

We encourage all students to make use of the **scholarship counselling** offered by the University of Freiburg (https://www.studium.uni-freiburg.de/en/counseling/scholarship-advising?set_language=en) and by the Studierendenwerk Freiburg (<https://www.swfr.de/en/money/financial-aid>).
